

Live-stream Worship Experience Sunday, 10 a.m.

Dear Crestwood Family,

There are no footprints in front of us for the living of these days. But we will step up, step out, and even stay in in faith!

This Sunday at 10 a.m., you are invited to worship with your Crestwood family as Kory, Brian and I live-stream a worship experience from the sanctuary. We suggest that you "set your table" for communion. Any bread and liquid will do. (Once your table is set in the morning, post a picture during the live stream as a way of being connected.)

I am preaching a message that hopefully will engage young and not young so this can be a family worship experience.

We will be live-streaming on Facebook; however, if you are not on Facebook, you can go to our webpage, [www.crestwoodchristian.org](http://www.crestwoodchristian.org) and it will appear on the homepage.

The order of worship is as follows:

Welcome

Call to Worship

Prayers of the People

Scripture Mark 10:17-22

Sermon "Taking the Next Step on Our Faith Journey"

Communion

Benediction

I have pages for children to color that are available for me to email individuals. (Constant Contact seems not to want to help me get them to you.) Reply to this message and I will send the pdfs.

Friends, these are unprecedented days. We don't know much about what things are going to be like for the foreseeable future. What we do know is that God is with us and that the Light shines in all darkness

and NO darkness can overcome it. This is not a platitude, this is truth. Let us look for ways to be light to our neighbors. Let this time of crisis bring out the best of us.

Be well. Be kind.  
Trish
