## DRIVE-THROUGH WORSHIP

### with BACK-TO-SCHOOL BLESSING

**August 2 @ 7:00 - 8:00 PM**

We continue to miss you! It's been wonderful to see many of you at our Drive-Through Worship Experiences this summer. We're planning another one for Sunday, August 2, 7:00-8:00 PM, with a BACK-TO-SCHOOL BLESSING.

#### STUDENTS, TEACHERS, SCHOOL STAFF & HOME SCHOOL TEACHERS:

You're invited to bring your backpack, tote, briefcase, or just yourself for a blessing of the new school year!

Starting at 7:00 PM, cars will line up in the Glendover Elementary parking lot. Then, they will be guided to the different worship stations. From the safety of your own vehicle, you will be able to participate in different elements of worship. The whole experience should only take about 10 minutes. We encourage you to come and bring friends. We hope to see you!

## OPEN SANCTUARY FOR PRAYER AND MEDITATION

Now, more than ever, we understand the need for sacred space. Starting Wednesday, August 5, we will be opening the sanctuary for individuals or families to come to the church for a time of quiet reflection. During the posted times, you are welcome to come any time and stay as little or as long as you like. We will provide guides for prayer and an atmosphere that helps move one from the secular to the sacred.

Wednesday Afternoons  
2:00-4:00 PM

Saturday Mornings  
9:00-11:00 AM

Masks and social distancing will be required. There will be limited access to facilities. If you have questions, contact Trish.

## CHURCH OFFICE UPDATE

Although the physical church office is closed, the virtual church office is open.

## A WORD FROM KORY

I miss you. That's the simplest way to put it. I miss seeing you on Sunday morning, I miss having you stop by during the week, I even miss sitting in committee meetings with you! As this pandemic continues to drag on and seemingly worsen by the day, I worry that I won't get to see you for longer than I had hoped. And yet, your good health and safety is my top priority, so the staff will continue to make decisions with that in mind. Still, I miss you.

My thanks to everyone who filled out our congregational life survey. The results have given us a good snapshot of how people are connecting with us during the pandemic and how we can continue to serve you into the future. To date, we have 144 responses, and the results have given us a good idea of what's working and what other things people would like us to do.

Of those who responded, about 80% attended church weekly before the virus hit, and, more interestingly, two respondents had never attended Crestwood before we shut down. According to the results, about 90% of the people engage our online worship each Sunday. Those services are getting between 250-315 views each week, which is fairly in line with our average worship attendance before the virus. When you figure that an average of 2-3 people are watching each view, that means we're reaching far more people online than we were in person.

In addition to those who connect via our worship, a little over half the respondents said they also connect with Crestwood via a Zoom gathering (Bible study, book study, Soul Care, etc). Another 58% make use of the online devotionals that are offered each day. Thirty percent are connected through Facebook and another 25% have attended a drive-through worship experience. It's good to see people are connecting with Crestwood in a variety of ways.

When asked if they would participate in a small-group or fellowship experience (with the proper precautions in place), 27% said "No," 37% said "Yes," and 35% said "Yes, but only if held outside." As long as the guidelines allow for it, the staff is going to work on creating some small in-person gatherings for people to socialize and learn together.

When asked about using the sanctuary for a time of prayer, 75% were not interested, but 25% were. Trish and I are working on a plan to create this time and space in the sanctuary, recognizing that just sitting in that sacred space can help people feel more connected to God. We'll be sure to take all the proper precautions to keep everyone healthy.

Here's the question I found most interesting. We asked, **"Which of the following best describes your perspective as we consider a timetable for returning to gatherings for in-person worship at Crestwood?"** Here are the responses:

- 14.8% - I will return at the first opportunity with no reservations
- 31.7% - I will return at the first opportunity, but with concerns and precautions
- 20.4% - I will wait for several weeks, even after we start gathering for worship
- 33.1% - I will not be attending in-person worship until there is a vaccine or all is clear

*(continued on page 3)*

### A WORD FROM KORY (continued)

Based on these results, when we open our doors for the first time, unless we have an “all clear,” over 50% of the congregation won’t be present. That’s a huge factor for us to consider as we ponder re-opening. I would never want anyone to feel afraid to come to church; that’s antithetical to the purpose of worship. And God forbid that we open too soon and someone gets sick because of it. We promise to continue to monitor the situation and discern the best path forward, but your safety will continue to be our top priority.

Thank you for your continued support and prayers, Crestwood. Please know your staff is doing the best we can to serve you, to stay connected, and to keep everyone’s well-being in mind. As always, we appreciate your feedback and your love as we negotiate these crazy times. Always remember, God loves you and so do I!

## TRISH TALK

Dear Friends,

During the past few months, thanks to the coronavirus, we’ve learned a few things.

We’ve learned not to take things for granted: worshipping together in the sanctuary, visits with family and friends, hugs, spontaneous shopping trips, even toilet paper.

We may have learned a lot about ourselves and our loved ones as we have spent more time alone or isolated with our families.

We have learned who real heroes are: health care workers, teachers, grocery workers, Dr. Fauci, and the many necessary folks who work to make our daily life happen.

We have learned new words and phrases: essential workers, COVID-19, social distancing, and COVID fatigue.

We have learned a lot. It’s the last two-word phrase that I want to focus on now. COVID fatigue is not a symptom of the viral infection. It is the act of growing weary of the restrictions, the isolation, and the disruption that the virus has caused. As the numbers climb, we realize the need for staying the course. We have sacrificed much these past several months, but it seems more will be required of us. As people of faith called to love God, our neighbor, and ourselves, it is important that we stay committed to doing what is right and to care for one another however we can.

I’ve been reading the stories in the First Testament and being reminded of the challenges that the Israelites faced. I looked at church history and am reminded of the persecution the early church faced. I look at our country’s history and realize the sacrifices made. In perspective, it makes several months of staying home something we CAN do. We are not alone. God is at work. Let us keep focused on learning and growing so that on the other side of this we are better, stronger, more loving, and more grace-filled.

Oh Crestwood, I do miss you. This month I celebrate my 5-year anniversary. Time flies—even on quarantine time.

Blessed to share the journey,  
Trish

### Knowing and Doing the Will of God Book Study

Last spring, before the pandemic caused us to separate, a study on Knowing and Doing the Will of God by Henry Blackaby was in the process of forming. This book looks at how God is working in the world and God’s invitation to join God in the work. Trish will lead this study that will begin by Zoom, but if deemed safe, may move to a small in-person group. If you are interested, please contact the church office at [office@crestwoodchristian.org](mailto:office@crestwoodchristian.org).

# CRESTWOOD YOUTH

August is usually the month when we prepare for and experience new beginnings with school shopping, signing up for sports, writing our daily routines in our calendars, walking into our new classrooms, meeting new friends, 6th graders joining youth group, having a church promotion celebration of our children moving up to a different grade level, and so much more. The start of August 2020 is probably drastically different than any of us ever imagined, so it is okay to grieve what was, experience what is, and wonder what will be. God is walking with each of us and will never forsake us. We are living into our new beginnings together as Crestwood family, as One Body of Christ.

It is exciting to have our youth moving into Chi Rho (middle school) and CYF (high school) this month! I am thrilled to have the opportunity to welcome our new youth and continuing to get-to-know, grow, explore, challenge, and journey alongside our youth in their faith journey here at Crestwood Christian Church. Our Youth Ministry Team invites all youth currently in 6th through 12th grade in the 2020-2021 school year to join the weekly devotional and youth group gatherings.

**Upcoming Event:** Our youth ministry is working with other Disciples of Christ churches in and around Lexington to create a drive-in movie experience. We plan to have follow-up meetings to discuss our reflections of the movie and race relations. More information is coming in the following weeks.

Thank you for continuing to support our youth ministry. Please feel free to contact me via email or text, or call with your questions, concerns, or ideas.

Peace,  
Brian Miller

## 2020-2021 CHURCH LEADERSHIP HAS BEEN FINALIZED

As a consequence of the current pandemic, the Administrative Board this year directed that the annual election of officers of the congregation be conducted through an online and mail-in vote. The election concluded on June 30. A total of 188 ballots were cast and the results were unanimously in favor of the slate of officers proposed by the Nominating Committee and the Administrative Board. The full slate was published in the June 16 issue of *The Weekly* and is available on the church's website.

In addition, there were two unfilled positions that were not included on the slate of officers at the time of publication. That resulted in a vacancy in each of those positions. The Nominating Committee has recommended that Doug Hutcherson be appointed Financial Secretary for a term of two years beginning January 1, 2021, and Linda Ransdell be appointed Deacon for a term of three years, beginning July 1, 2020. Both Doug and Linda have agreed to accept these positions. Their nominations will be presented to the Administrative Board for formal approval at the September meeting.

Also, Matt Parsons has been elected chairperson of the Personnel Committee by the members of that committee.

We are grateful for the service of Linda, Bob, and Matt, and for all of Crestwood's leaders.

Moderator

## THANK YOU FOR YOUR SERVICE

The Crestwood staff would like to thank all those leaders who served during the 2019-2020 church year. Your leadership and service helped Crestwood continue to fulfill its vision to connect people to God and each other. Thank you for being a part of our team as we serve this congregation and the surrounding community. Well done, good and faithful servants!

## HEALTHY CHURCH TASK FORCE

The Healthy Church Task Force met recently to discuss the future of gatherings at Crestwood. The group decided that, for the foreseeable future, we will not be gathering for in-person worship on Sundays. This will continue until the group feels that we can gather in large groups safely. The building will continue to remain closed to other kinds of gatherings through August, unless otherwise approved by the church staff.

Anyone wishing to use the building must call (859) 457-0980 so that we can track who has been in the facility. This will help us keep the church clean and help us alert anyone if a building user tests positive.

## .....Notes of Thanks.....Notes of Thanks.....

---

Dear Crestwood Christian Church,

Summer or winter. Hot or cold. There's no good time to be hungry or homeless. It has been especially hard during the COVID-19 pandemic. Thanks to your generous gift of \$500 to **Lexington Rescue Mission**, the poorest individuals and families in our community will have hearty meals, housing, and the support they need to restore their hope during this trying time. As the Bible says: "If among you, one of your brothers should become poor...you shall open your hand to him and lend him sufficient for his need, whatever it may be...because of this, the Lord your God will bless you in all your work and in all you undertake." Thank you for opening your hand to provide care that reaches hearts and changes lives.

Gratefully,  
Jim Connell, Executive Director

.....

Dear Friends,

**The Nathaniel Mission** would like to thank you for your support and gift of \$1,427. Your generosity and kindness to our neighbors makes a lasting difference in their lives and the life of our community. From supporting essential services and staff to making creative programs possible, your donation ensures that The Nathaniel Mission can continue to invest in the lives of those around us, restore hope and dignity to our disenfranchised neighbors, and transform our community with God's love and power. We are eternally grateful for our partners like you. May God bless you as you continue to be a blessing to us and many others. Please remember The Nathaniel Mission in your prayers.

Gratefully,  
Rev. Dan Baer, Executive Director

.....

Dear Friends of LTS at Crestwood,

The **Lexington Theological Seminary** community is blessed by your generosity and kindness. We thank you for valuing the work of the Seminary and joining with us in preparing men and women for service in Christ's church. When students reflect upon their opportunity to attend LTS, words can't describe how enthusiastic and appreciative they are to be in the Seminary's Master of Divinity program. On their behalf, thanks for your partnership, your belief in LTS, and your generous outreach offering of \$540. We are blessed to have such good partners as Crestwood Christian Church.

Sincerely yours,  
Mark Blankenship, Vice President for Advancement

Dear Friends,

Since our doors opened at **Christian Care Communities** in 1884, friends like you have helped offer older adults an unprecedented level of care. We would like to share a few words of gratitude from our residents:

*"I love my new home! Thank you for caring about me."*

*"Thank you for giving me a place to call home."*

*"I am grateful for the friendships I've made. I'm no longer alone."*

*"I am thankful for the chaplain."*

More people than ever need the strength and comfort of Christian Care Communities' important services. With your gift of \$100, you join others who have made a commitment to help continue our mission of enhancing the journey of life for Older Adults. Thank you for partnering with us.

In His Service,  
James W. Patton, Vice President - Mission Advancement

.....

Dear Local Outreach Team,

**Natalie's Sisters** wants to thank you for your recent donation of \$167. We are especially grateful, realizing the pandemic has affected everyone, and budgets are tight everywhere! We remain busy at the Drop-in Center, still serving 25+ women most days, and continue to make referrals to critical community resources for our Sisters. We're also making plans for when we're allowed to resume Jail and Club ministry. We know our Sisters who don't come to the Drop-in miss the community, encouragement, and support of our team members. To keep in touch, we're making regular contact via social media and telephone, and are holding "Zoom church" one Sunday a month. Thank you again for your support. Because of you, lives are being changed!

Blessings,  
Jani Lewis, Executive Director

.....

Dear Crestwood,

Thank you for supporting the work of **FoodChain** and for helping us feed the community in a time of such need. Your generous donation of \$500 went toward supplies and ingredients that we need to make and distribute healthy homemade meals to the underserved and more vulnerable populations here in Lexington. Since March 17, we have given out over 65,000 meals and we aren't stopping any time soon. Thanks for helping to make this possible.

In gratitude,  
The FoodChain Team

### DISCIPLES FOR HABITAT 2020 HOUSE

Lexington Habitat for Humanity suspended the work of volunteers due to the pandemic, but part of their staff has been working on the Disciples' house (Crestwood's 34th sponsored Habitat house). Noella and her family will be the homeowners of the house, located at 519 Willy Street. You can help by making a donation by check (to *Crestwood Christian Church* with **Habitat** memo) or online (click [here](#) and note **Habitat** in the special instructions). Crestwood's goal is \$20,667 which is one third of the sponsorship of a house. With your help we can meet our goal. Thank you for your donations!

### RONALD McDONALD REQUESTS THE HONOR OF...

...your aluminum pop top donations (from any aluminum beverage can). Please continue to save your aluminum pop tops at home and when we are able to return safely to Crestwood, place them in the cardboard McDonald house in the Giving Lane. The Ronald McDonald House sells these tops, which helps fund the awesome work they do. Now, more than ever, we need to be thinking of ways to reach out to our community and support efforts to help people in their time of need. You can also take the pop tops directly to the Ronald McDonald House (1300 Sports Center Drive) and place them in the red wagon on their front porch.

### JULY LOCAL OUTREACH GIVING

#### Lighthouse Ministries

Local Outreach made a \$1000 donation to Lighthouse Ministries. Rather than table service lunch and dinner for about 150 meals each day, Lighthouse Ministries is packing and passing out an average of 300 meals each day. The annual post office food drive which typically brings in 10,000 pounds of canned goods for Lighthouse Ministries was cancelled this year.

#### Bridge Fund Assistance

Crestwood has assisted 6 families with overdue rent payments (\$150, \$200, \$200, \$231, \$200, \$200). Four of these payments were made on requests for assistance from the Resource Office for Social Ministries (ROSM). Crestwood joins with other area churches to provide the requested assistance.

### DRIVE-BY BLESSING BOX

In an effort to serve our community, Crestwood continues to offer a Blessing Box, located outside of the Children's Wing entrance. This box provides a supplement for our neighbors when they need help to stretch pantry items. When you find yourself with extra, please consider contributing to the box, and please share with others that this box is available if they need something. For a list of suggested items, see *The Weekly*.
