DRIVE-THROUGH TRUNK-OR-TREAT

(Photos on pages 6-7)

On October 25, Crestwood families celebrated the season safely with a Drive-Through Trunk-or-Treat. Trunks were decorated and candy was delivered through creative measures from candy giver to trick-or-treater. We had a great turnout and it was wonderful to see everyone having fun!

A WORD FROM KORY

"When are we going to be back in church?" I hear that question a lot. I ASK that question a lot. And I wish I had a clear answer for it. This pandemic and all the emotions it conjures up would be so much easier to manage if we knew there was an end date. But one of the hardest things about making decisions right now is not knowing when things are going to get better. And, as experts are predicting, the numbers are going to get a lot worse before that happens.

Each Sunday morning, I wake up ready to go to church. It's like spiritual muscle memory. That's just what you do on a Sunday. Lately, I've been asking myself why I want to go back to church. What's the motivation? I feel like Crestwood is offering all kinds of ways to stay connected with God and each other, so why the continued pull to worship in-person on Sunday morning? I've come up with a few answers.

I miss my people. That's at the top of the list. I miss seeing everyone, getting a warm hug or handshake, hearing about what's going on in your lives. I miss the experience of being in close proximity with you, knowing that I'm not alone as I navigate my way through this crazy world. In a time of isolation and social distancing, I want to be close to the people who matter most to me. And yet, being close to you could pose a danger to us both.

So, Crestwood is offering other ways for us to be together during this time. First, the ministers and I are making porch visits with anyone who asks, a one-on-one conversation that is safe and socially-distanced but allows us some much needed face time. While not the same as in person, phone and Zoom calls are great ways for us to stay connected and for the ministers to know how we can best serve you during this pandemic. While we can't see each other on Sunday morning right now, we can still see each other.

I miss worship. I feel like we offer an outstanding worship experience every Sunday morning, and I commend all the staff who are working so hard each week to make it happen. But I know it's not the same as being there. It's so much harder to worship through a screen than it is side-by-side. And yet, for now it's the best we can do, and I promise you we are doing our best.

That's why I'm so glad we offer our Vespers service on Wednesday evenings. We are together in the same place, hearing the same scriptures, praying together, listening to music. Even though we stay in our cars, we can see each other and know we are worshipping in real time with our fellow congregants. While it may not be the same as Sunday morning, it's an opportunity to get out of the house, come to church, and experience worship with each other.

I miss the sanctuary. I love our worship space! It's so serene, so beautiful, so filled with light and color. One of the hardest adjustments for me during this time is preaching to an empty sanctuary. The space feels so void without you in it. When I'm in the pulpit, I picture you in the pews, singing or praying or smiling, and it provides a little relief to my sadness.

But the sanctuary isn't completely off-limits. On Wednesday and Saturday mornings, we open the sanctuary for two hours for a time of prayer and meditation. Anyone is welcome to come and sit in our sacred space and to be reminded of the power of God's presence there. If you miss the church, please join us during these times! It has been a balm for my soul to sit in sanctuary during these times.

I know we all miss each other, we miss worship, we miss the sanctuary. No one feels that more strongly than me. But I'm also committed to keeping every single member of this church safe, and until I know we can do that, the Healthy Church Task Force and I are going to err on the side of caution and safety. Please continue to support us with your prayers and your feedback. I look forward to the day when I can get up on Sunday morning and worship with you again!

FALL SERMON SERIES STEPPING OUT IN FAITH

God never calls us to be comfortable. The Bible gives us many examples of people who stepped out in faith in order to be the people God called them to be. In this sermon series, we look at how those people put their faith over their fears and made a difference in the world. What can we learn about how we live out our faith?

ADVENT SERMON SERIES DETOUR!

Have you ever thought your life was going to go a certain way, and then, out of nowhere – detour! That happens to almost everyone involved in the Christmas story. A carpenter, a young fiancée, a group of shepherds, three wise men – all thought life was going to be one way, but instead God had other plans. During Advent, we'll look at how each of these characters handled their detour and how we can find hope and peace in the midst of our own changes in life.

We'd LOVE to see you!

TRISH TALK

Dear Friends,

I miss you. I miss gathering each Sunday morning in the sanctuary and having a shared worship time and experience. I miss watching the offering and communion plates being passed from hand to hand and heart to heart. I miss the children sitting on the steps and then bounding out to Worship and Wonder. I miss hugs and handshakes. As I write this, I feel like I have written this before, however it is certainly true now more than ever.

We are almost nine months into the pandemic. Normally when we hear "nine months," the first thing that comes to mind is pregnancy. I started thinking about that. What has been "birthed" out of this pandemic? What has been growing? During these days of limitation, fear, illness, and loss, what has grown in you? In our community? As I allow myself to ponder this image, I am aware that some not so life-giving things have come to life. In our country, the pandemic has heightened political divide to the point that even the wearing of masks has become a point of division. Ugliness has reached a new level at every place on the political spectrum. We began this time with a bit more compassion when green lights and sidewalk chalk illustrated a simple truth that we are all in this together. But even that began to be seen as political. On a national level, I would say that what has been born is not always evidence of the best of humanity.

So what about in you? What has been growing? It is important for us to ask these questions and to make this time have some meaning.

I know I have written about COVID fatigue and that was a couple of months ago! Now it is more like COVID exhaustion. We are tired of this. We want life to be back to normal. But as tired as we are and as much as we want things to be back to normal, that is not an option. The danger is that we allow our frustrations and our isolation to lead us to make choices that are unsafe. One gathering can wipe out every sacrifice we have made up to this point.

Friends, let us acknowledge the struggle and then let us look to make this a time of growth. Let us make these days have meaning.

Blessed to share the journey,
Trish

**TOMMY LYNE
(1933-2020)**

Tommy Lyne passed away on October 7. Please keep Peggy and their family in your prayers.

What? This year since we cannot be together in person at the holidays, we would like to invite individuals and families to send us a video clip. It can be a talent, a favorite holiday tradition, a story, or just a "Merry Christmas" message. All

you need to do is contact Trish at trish@crestwoodchristian.org and let her know you are interested. We will set up ways to get the videos—including coming to you with a camera!

Imagine getting to see many faces, hear gifts of song, listen to stories, and learn more about each other. We will compile the clips and have a premier showing where we can all watch together in our separate spaces. Please plan to be a part of this as it will only be as meaningful as we make it. If you have any questions email Trish.

CRESTWOOD YOUTH

This November we will focus on gratitude. What or whom are you grateful/thankful for? I can usually rattle off the usual answer--my parents, family, and friends. Living in this pandemic has invited me to think about more people, God's beautiful creations, and of how I give and receive. I give thanks for each you. You all have journeyed together alongside me through this pandemic. Allowing me to be in your homes through Zoom, welcoming me to deliver candy and prizes to your front porches, and reaching out to check in to see how I have been feeling and doing. Each of you are a blessing to me and I am grateful this pandemic has given us the opportunity to build a stronger relationship together. Because together, we are stronger.

We had much success with our in-person check-in system in October and will continue having you fill out the Google Covid-19 form and have temperatures checked before joining any at-church activities. Due to rising numbers of Covid-19 cases, you will receive notification through Remind, email, and on our Youth Ministry Facebook page about youth gatherings being in-person or on Zoom. I appreciate your patience through these times, but I know each of us want our youth and leaders to be as safe as we can be. Please feel free to contact me via email, text, or call with your questions, concerns, or ideas.

Blessings,
Brian Miller

THE NEST FOOD BOXES

For the month of November, our Youth Ministry is asking for your monetary donations to supply the goal of 300 food boxes for The Nest, which will cost an estimated \$6,000 (\$20 a box). Your generosity last year allowed us to fill 325 food boxes and give a financial donation to help supply other needs at The Nest.

Due to the pandemic and in an effort to keep everyone as safe as possible, we are only asking for monetary donations to help cover the cost of the food. We will order the food and have it boxed at a later date by our Youth Ministry. Send your donation to Crestwood Christian Church.

*For checks, write in the memo: **The Nest Food Boxes**. For cash, write on the envelope or note: **The Nest Food Boxes**. If giving online, make sure to note before submitting: **The Nest Food Boxes**.*

Thank you for continuing to make an impact in our community, especially for the 300 families who will receive these food boxes. We can do this! We will do this! We are Crestwood!

Blessings,
Brian

Here is what your monetary donations will purchase for one Nest Food Box:

- 3 cans - veggies
- 3 cans - fruit
- 2 cans - chicken broth
- 1 box - spaghetti noodles
- 1 can or plastic jar - spaghetti sauce
- 1-lb bag - pinto beans
- 2 boxes - mac & cheese
- 1 box or bag - stuffing mix
- 1 box - Bisquick (all-purpose baking mix)
- 1 dessert mix - brownies, cake, cookies

Dear Crestwood friends,

Thanks for all your good wishes,

Dear Crestwood,

Thank you for your continued support of **Nourish Lexington!** Because of generosity like yours, we've been able to provide over 150,000 nourishing and locally sourced meals to the communities most vulnerable. So long as there's a need during the pandemic, we will continue doing this work. Thanks for your help in making all this possible. Only together will we get through this! Take care and God bless.

In gratitude,
The FoodChain Team

Dear Friends of LTS at Crestwood,

Shalom to our brothers and sisters in Christ at Crestwood Christian Church! The **Lexington Theological Seminary** community is blessed by your generosity and kindness. We thank you for valuing the work of the Seminary and joining with us in preparing men and women for service in Christ's church. When students reflect upon their opportunity to attend LTS, words can't describe how enthusiastic and appreciative they are to be in the Seminary's Master of Divinity program. On their behalf, thanks for your partnership and gift of \$881.

Sincerely,
Mark V. Blankenship, Vice President for Advancement

HEALTHY CHURCH UPDATE

Since the beginning of the pandemic, we have turned to our state leadership for guidance. It is our best source to help us determine best practices during these challenging times. With COVID numbers in the state and Fayette County continuing to escalate, we once again look for guidance. As of today, we will adopt the recommendations from Frankfort. What that means for Crestwood is that each Thursday we will check the "color" status for Fayette County.

If we are not red, the policy we have followed for the past several months will remain in place. *(The church building is available to church and outside groups of 10 or fewer people. Parking areas and other outdoor spaces may also be used. To schedule a group meeting, email Maureen at office@crestwoodchristian.org.)*

However, if we are red, no in-person meetings will be allowed in the building or on the grounds. Each week this is subject to change based on the color status of the county. The Healthy Church Task Force will continue to monitor the guidelines and meet and review what is best for Crestwood and the community. We miss being together but we have sacrificed too much to allow our emotions and our fatigue to guide our choices. We appreciate the support and the commitment of Crestwood to do the right thing during these trying days.

PROPERTY MINISTRY

GARDEN COMMITTEE

The Property Ministry Team is still seeking members who would like to be part of a Garden Committee. If you have an interest in gardening or landscaping and would like to volunteer a day or two each month (or more or less), we would like to hear from you.

The primary responsibilities would be in the courtyard area. With the new sod we are hoping to keep the appearance inviting and attractive for members, visitors, and groups who utilize this space. Weeding, branch and twig removal, trimming, and trash removal are regularly needed. But we also have been working on the garden area in front of the sign (at Glendover & Bellefonte), and foresee the need for shrub and tree trimming, general property planting and weeding, fallen limb removal, and other occasional enhancement tasks.

If you have a desire to help, we would love to have you be part of this new group. Please contact Ward Ransdell at (859) 619-7072 or ward_ransdell@yahoo.com. Thank you.

BLESSING BOX

The Blessing Box outside of the Children's Wing entrance is a supplement to help our neighbors when they need to stretch pantry items. When you have extra, please consider contributing to the box, and share with others that this box is available if they need something. Suggested items include: mac and cheese, canned/bag tuna, canned/bag chicken, peanut butter, rice, beans, canned pasta, pasta, canned spaghetti sauce, crackers, canned vegetables, canned fruit, instant mashed potatoes, muffin mix, cereal, shampoo and conditioner, body wash, lotion, feminine hygiene products, paper towels, and toilet paper.

PORCH VISITS

We miss you, Crestwood! Your ministerial staff is longing to see your face and hear your voice. While we may not be ready for in-person worship just yet, we're more than happy to visit with you at a safe social distance. If you'd like to schedule a Porch Visit with one of your ministers, just contact us and we'll find a time that works for all of us. We look forward to reconnecting with you and spending this time together. We hope to see you soon!

GIVE ONLINE

Your support of Crestwood continues to be vital as we seek to serve this congregation and the community. Since we are not gathering in person, we encourage you to take advantage of online giving options. Click [here](#) to learn more about how you can give online to help support the church's work. Checks are also welcome. Mail to: Crestwood Christian Church, 1882 Bellefonte Drive, Lexington, KY 40503.

CRESTWOOD YARD SIGNS

There are still plenty of Crestwood yard signs left! Show your church spirit and let people know that Crestwood is doing God's work by getting one of our signs for your yard. If you'd like one, email Kory at kory@crestwoodchristian.org and we'll hand-deliver your sign to you.

OPEN SANCTUARY

The sanctuary is open twice weekly for quiet reflection. You are welcome to come on Wednesday afternoons (2:00-4:00 PM) or Saturday mornings (9:00-11:00 AM) and stay as little or as long as you like. We will provide prayer guides and an atmosphere that helps move one from the secular to the sacred. Please enter at the north side glass breezeway. Masks and social distancing are required, with limited access to facilities. If you have questions, contact Trish at trish@crestwoodchristian.org.

UPPER ROOM DEVOTIONAL GUIDE

The November-December issue of the Upper Room devotional guide is available in the breezeway between Chalice Hall and the sanctuary. That entrance is accessible on weekdays from 9:00 AM - 4:00 PM. The Upper Room is now also available as a PDF document. If you would like to receive it in this form, please contact the church office.
